@annajayne

Following

One of the things we talked about during the [#TDoRDatathon](#) was how to research cases of violence against [#trans](#) people - real and historic - and which search terms to use.

That yielded a long list of search terms and languages, among which was Russian.

12:45 AM - 18 Nov 2018

A test search we performed revealed another case which isn't on the [@TGEUorg](#) [#TDoR](#) 2018 list.

Nastya Sapayev was beaten on a Moscow street while in the city to seek medical attention on or around 31 Mar 2018.

She was 38. [#SayHerName](#) [#TransLivesMatter](#)
